Conditions of Use.

- *Each Club member will be issued with a Club Membership Discount Card. This card will allow members to avail of discounts at participating businesses.*
- *Participating Businesses are listed in this document and each of the Businesses will display a logo indicating its participation.*
- *The card will contain information relating to the club and member to whom the card is issued.*
- *Only the member whose name appears on the card may present the card of discounted purchase.*
- *Cards will only be valid up to the expiry date specified on the card.*
- *Businesses may request proof of identity other than the Club Membership Discount Card if they feel the card is being misused.*
- *Discounts may be subject to terms and conditions (e.g. discounts may not apply when special offers are in operation etc.)*
- *Members Must present the card to business (inform the retailer) that they will be using their discount card prior to sale being transacted.*
- *Members are expected to use the card in a responsible manner in accordance with guidelines for its operation.*
- *A full and current list of participating Businesses will be posted on the website of each club.*
